Willshire Design

### Silver Level

CETCO Building Materials  
Douglass Colony Group  
American Hydrotech  
Bison Deck Supports

**Please visit all of our supporters in the trade show in Gates Hall.**

### NOTE:

As an approved USGBC Education Provider, USGBC Colorado is excited to offer a total of **6 Continuing Education (CE) Hours** through GBC's Credential Maintenance Program at the Green Roofs for the West Symposium.

**If you are a LEED Professional enrolled in CMP**, please pick up a tracking form at registration and record the name of each session you attend during the symposium. When you are finished with all of your sessions (please write each session you attend on form), take your form to the registration desk. A certificate of attendance will be sent to you via email.

You must self-report your CE hours through My Credentials at [www.gbci.org](http://www.gbci.org). Please note that the 6 CE hrs available at Green Roofs for the West are all general CE hours, none of them are LEED specific.

AIA Continuing Education credits also available.
